Dear Friends,

Danny and I continue to be amazed at the way God pours out His unending love on those who come to the farm. Our Father's Farm is not just a community offering healing, but we also train others in a highly effective and proven method that brings healing to the hurting and facilitates intimacy with God.

This Friday we will have 30 men and women staying on the farm for 8 days. They will be going through our Advanced Facilitator Training, which gives them the tools needed to bring freedom and healing to others while facilitating a personal, intimate relationship with the Lord. Some of the topics taught are: Strongholds, Deliverance, Integration & Parts, Healthy Boundaries, Brain Science, Quantum Physics and Cleansing Gateways. They will also have God Encounter sessions where they practice facilitating. It's an amazing time of growth and building while proving to be very rewarding.

Danny and I often want to pinch ourselves because of God's extravagance and provision. Harvest Home purchased Our Father's Farm in the fall of 2007. And in just 5 short years, God has provided the finances for 8 ministry houses (#9 is under construction now) plus a 20,000 sq. foot building (presently under construction), which will provide a safe, loving home for girls rescued from human trafficking. The top floor of this building will be our Apostolic Training Center and a dorm for interns. All debt-free!

Because of God's grace, we've been able to minister healing to thousands of men, women and children while training a large number of leaders to go out and do the same. What a beautiful testimony of the truth that nothing is impossible for God! He chose two people to partner with who could never take any of the credit for the marvelous things He's done. To God be all the glory!

TESTIMONIES:

"I found the One my heart had been searching for. The people here are the safest people I've ever met. Our Father's Farm is a place where you're cherished, encouraged and upheld through the hard stuff. I would say to anyone coming here to bring hope with you because God does fulfill your requests with joy."

During Jen's stay on the farm, the Lord showed her in a God Encounter session that He was going to heal her eyes. Just a week later, we received this update from her:

"I just left my eye doctors appointment and my eyes have changed!! They are getting better and my doctor said that he'd never seen that before!! Praise God!! My eyes were 1.75 with astigmatism now they are 1.5 without astigmatism!! God is healing my eyes just like he said he would!! I'm so excited about this and wanted to share it with all of you! Blessings to you all!"

"It ain't no lie when they call it an 'intensive', cause it's INTENSE! But it's worth it! It's going to seem completely scary, but open up and you'll be completely shocked by the results. The Lord will meet you in a huge way. It's worth it! My spirit has come 'back to life'. I have a burning desire for Jesus. My heart's cry for justice has come back to life. I've been unwrapped from my grave clothes and I finally understand and KNOW that the Father loves me! I've come face-to-face with the Author of my story and I will never forget what I've learned. I'm eternally grateful to all of you. I felt cared for, appreciated, loved and people wanted to know who I am. Thank you for honoring me and leading me to the Father!"

"You guys have changed my world forever; no matter what happens to me now, I know that I'll be okay because I found true Love, I found Jesus! I can't thank you enough. God met me here. I felt accepted and loved the minute I arrived. I've had a really real and total life change! I loved getting to know all the beautiful people on the farm! I'm leaving here changed."

Below is a note one of our newest girls wrote shortly after arriving on Our Father's Farm.

My heart is broken, weak and weary. My mind lays empty, but overflowing. Numb I want to be, but pain is all I feel. A cavern of vast darkness, a pearl of insignificance lays buried inside of me. But a Man of great sorrow, broken in His heart and heavy in His thoughts noticed me—rejected and alone. He was condemned to death. Praying through the darkness, He saw beauty in the depths of me. He saw a process of time and compassion and gave His life. Beaten and hated for His decision, He gave His life for a grain of sand. Beaten and hated, I stood strong to see the Man who gave His all, the Man who called her "Beautiful".

A Big Thank You to Summit Christian Academy!

Each year the students from Summit Christian Academy in Lee's Summit, MO take a day off from school, books, studies and tests to serve the body of Christ. This year seven high school girls and three adults came out to join the teens living on Our Father's Farm to prepare 20 casseroles and 10 side dishes for their upcoming Advanced Facilitator's Training week. The challenge was to create four meals that will feed 40 people. Danny kicked off the day by sharing the vision of the farm, the testimony of how it came to be and a few testimonials of healing. The SCA girls were very impressed with the work that Harvest Home does. One girl commented, "This is the best service day ever...it's such a great cause! I'm so glad to be able to help a ministry that makes a difference." Another comment from one of the SCA girls: "The day went so fast, it was so much fun cooking! It's a skill we will use every day and it was fun to be able to cook for others." In just 4 and ½ hours, our team produced 5 lasagnas, 5 squash casseroles, 5 King Ranch casseroles, 5 Chili Mac casseroles, 5 sides of Broccoli and Rice casserole, and 5 sides of Potatoes au Gratin! It was a great day!

Julie's testimony:

"Rhonda, I started reading "The Invitation" last night...fabulous! I'm busy with my nurse hat on with a flu-sick house and cleaning for guests, but I keep stealing bits of time and getting my spirit blessed with every turn of the page!"

Allyson:

"I wanted to thank you for writing *The Invitation*. With extended amounts of time during the break of the school year, I was able to read your book in a few days. It has definitely changed my life. It has made spiritual warfare more understandable for me. It has drastically changed the way I speak to the Holy Spirit. What I really want to share with you is how it made me cry on my bed for a good 30 minutes at a time. I catch myself crying, speaking to Jesus in a way I never have before and *receiving much healing from just a few pages*. I love Jesus *more* because of your book!! You have blessed me so much."
