

Nov 1, 2018

Dear Friends,

As I prayed about what the Lord wanted me to share this month, I had the sense He wanted me to look back at our newsletter before we moved onto Our Father's Farm on Oct. 17, 2007. The following is the Sept., 2007 newsletter:

Sept. 1, 2007

It is with great excitement and faith that we enter this year. Throughout our thirty years of marriage, my husband and I have ministered to countless children and women in crisis. In 1995, the Lord instructed us to quit our jobs and spend the rest of our lives ministering to the hurt and broken, focusing on children and women in need. God has been our sole provider.

On 3/7/00, (notice the date for it turned out to be *very* significant) I dreamed that Jesus escorted me to a farm where He took me to meet His Father. As a very kind white-haired gentleman took me on a tour of His farm, He told me that one day this farm would be ours and it would be a home and place of healing and freedom for many people.

Nov. 2006, I had a dream where Jesus walked with me on the farm. He said that His presence would literally dwell there and angels would descend and ascend bringing healing to many. There were homes for children and women who were sick (spirit, soul and body). He said the angels would heal many of them. He also showed me horses and said that He would use them to heal the broken-hearted and abused.

Sept. 2006, the Lord spoke to us and said, "In this next season, I will bring the 7 and the 3 together. When you see those numbers, remember that I AM able to complete that which I began." I knew that He was talking about the future farm. I also knew that the number 3 represents the Trinity and the number 7 represents perfection/completion. That same day, the numbers 3 & 7 started showing up everywhere my husband and I went. (Those numbers show up all around us to this day).

About two weeks later, a dear friend told me about a dream she had about us. In the dream, she was told to choose a number so she chose 37. She was told that because we had given everything we would be given \$10 million, which would be used for the farm. (We had told no one about the numbers 3 and 7). As she was sharing, Psalm 37 immediately came to my mind. I read it and discovered that five times God says that we will inherit the land. I began to pray Psa. 37 nearly every day. About 6 weeks later, Danny and I both had a dream where the Lord told us that He was going to give us the farm in 2007. In the spring, a 325-acre farm selling for \$1.6 million was presented to us. We had only about \$12,000 in the bank. And we knew that we were to pay cash. To our surprise, God instructed us to ask Him for that farm.

June, 2007 I was ministering in California. While staying at my host home, I was invited to watch a DVD about an orphanage in India. I found myself in tears. I excused myself and began pacing up and down her hallway crying out to God for the farm. I stopped and whispered, "God, are You ever going to give us the money to buy the farm?" I looked up; I was standing in front of a grandfather clock. The little hand had stopped on the 3 and the big hand on the 7! It felt like a bolt of lightning went through my head and out my feet and I heard a still, small voice say, "I am going to give you *that* farm!". My knees buckled as I wept before my Father. The grandfather clock that hadn't been wound in several years suddenly chimed! We were shocked and excited all at once. I heard that still, small voice say, "It's time—I'm going to give you that farm." Oh, how my heart rejoiced!

We arrived home filled with faith. We looked at a property which was \$1.6 million. The Lord told me that He wanted us to ask Him for it. Out of obedience, we began to pray and as we did our faith grew.

The property is located in a county that has no zoning restrictions, which is exactly what we need in order to be able to build homes for women/teens in crisis. We have already been given 5 horses to use in ministering to the children and women and this property is perfect for that. It has 325 acres and a house that is 3,730 square feet. The address is 1177 NW 300 Rd. When we looked at this property, we were very aware of all the 3's and 7's.

Another blessing about this property is that it will generate income. A farmer leases some of the acreage and some is under a government contract that allows the land to remain in its natural state for wildlife, which provides \$8,730 a year. This will more than pay the utilities on the property (notice the 7 & 3 again).

After a few weeks, God clearly instructed us to make an offer even though we had no idea how He would provide. He showed me that it was like Moses standing before the Red Sea and the Promised Land on the other side. He told us to hold up our rod of faith and watch Him part the sea. So, we obeyed and started the negotiations, which ended on a purchase price of \$1.4 million. I was surprised the sellers stopped there because I was convinced the price would have a 7 and a 3 in it. But the Lord told us to trust Him and accept the price. We only had about \$12,000 saved so we offered \$10,000 as our earnest money and the miracle is that the sellers accepted it!

In 2006, the Lord told us that 7/30/07 would be a very significant date for us. Well, we signed the contract to purchase the farm on 7/03/07. The sellers advertised 325 acres, but during the title search they discovered they had only 321 acres. On 7/30/07 they voluntarily dropped the price to: \$1,391,173! If you look closely, you'll see 3 ones and you'll see 911 and 73. God's signature is all over the price. (The sellers had no idea about God speaking to us in 7 and 3.)

To date (Sept 1, 2006), we have approximately \$256,600. My husband and I, along with our ministry team continue to hold up that rod of faith and believe that God is able to do exceeding, abundantly beyond all that we could ask or think. The sellers set the closing date for Oct. 17, which just happens to be our 31st wedding anniversary. I think it is quite significant that this vision began with our wedding and the closing date is on our anniversary. We will be still and know that He is God.

Going back and reading this newsletter was so encouraging and faith-building. Danny and I plus our intercessory team watched as God sovereignly moved on the hearts of countless people all over the world. In just 5 weeks, God provided just over \$1.5 million! We had no fund raisers. God gets all the glory. Today, 11 years later, the farm consists of 12 houses plus a 20,000 sq. ft. building called the Refuge. We had no idea God's dream was so big! To His glory, we've never had a fund raiser and Harvest Home has no debt! What an amazing, beautiful journey!

2019 TRAINING SCHEDULE
